

CLIENT HISTORY & ASSIGNMENTS:

Corporate Experience

Since 1999 I have been coaching teams, individuals in corporates, big businesses in these sectors:

- media, legal, industry, banking, aerospace, leisure, property, accountancy, HR, public services, recruitment, not for profits, charities, museum & galleries sectors, public & private sectors
- in following areas: leadership, merging organisations, team coaching, developing soft skills, fast tracking to C-suite, communication, managing complex workloads, departmental integration, brand alignment, career development & progression.

Working with not for profits UNHCR & 'Search for Common Ground' has given me significant understanding of the complex challenges, sensitive negotiations with people & stakeholders and the hard-earned wins of international development within the humanitarian community.
